Office of the Mysore University,
Dated Mysore, ...December..,.1.7.th..... *1922* .

FROM

V. SUBRAHMANYA IYER, ESQ., B.A.,
Registrar, Mysore University,
Mysore.

To K.Matthan, Esq., B.A.,
Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
B a n g a l o r e.

Sir,

I am directed by the Vice-Chancellor to forward the enclosed application for leave from Mr. V.Subrahmanya Iyer, Registrar, Mysore University, for the kind and favourable consideration of Government. In view of the peculiar nature of the responsibilities of the office of Registrar, with reference to which the Calcutta University Commission Report says "It is for these reasons very important that his (Registrar's) prestige and standing should be equavalent to that of the Senior Professors of the University" (Volume IV. p.383) and also in view of the practice in other Indian Universities in such circumstances, not to say anything of the absolute necessity for this University to maintain its prestige with reference to its sister Universities, the Vice-Chancellor thinks that one of the rank of a senior University Professor should be appointed to act. As the University is, however, at present short-handed in respect of its Professors he

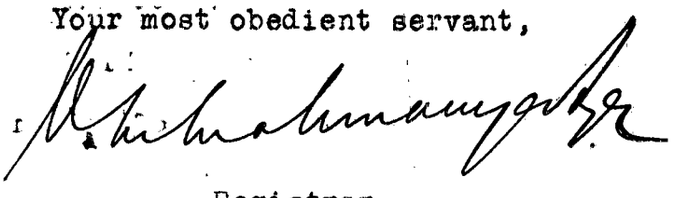
requests that one of a corresponding rank i.e., that of Deputy Commissioner, may be kindly deputed from the general administration. Further, he thinks that in the present circumstances this University needs one who could be entrusted with very responsible work in connection with examinations.

I am to request, therefore, that you will be so good as to obtain the early orders of Government.

I have the honour to be,

Sir,

Your most obedient servant,



Registrar.

Forwarded for favour of kind consideration and early orders
17.12.15

Sir,

I have the honour to submit again for your kind consideration and recommendation to Government, this my application, for leave which I have been asking for since last year.

I have rendered nearly 29 years of service till now and during this long period I have not availed myself of any privilege leave or furlough for over 9 days.

Further, the work in the University Office has of late, as you are aware, grown very heavy. The enclosed statement will show at a glance that this University, because of its peculiar constitution, has a much larger volume of office routine than any other Indian University excepting Calcutta. Nevertheless, they all maintain, besides a Registrar, an Assistant or a Deputy. Even here, when the quantity of work was a little more than a half of what it now is, the then Registrar Mr. Denham urged the necessity for the appointment of an Assistant.

And now, to this already overburdened office, have had to be added, owing to financial necessities, not one but <u>three</u> more items of work which are outside the regular administration of the University.

This unusually heavy and continued strain has told upon my physical energies and health, which urgently call for some rest.

I beg, therefore, that you will be pleased to recommend

9')

recommend me privilege leave for two months, for which I am entitled, and permit me to avail myself of the same from about the 15th of January next.

I have the honour to be,

Sir,

Your most obedient servant,

D. Subrahmanyam

Registrar.

Your D.O. letter No.3861/C.B. dated 28th ultimo regarding Mr. Subrahmanya Iyer's leave is to hand.
